

ITS Texas Scholarship for Graduate Study in Intelligent Transportation Systems (ITS)

- Awards:** One (non-renewable) scholarship for one academic year.
- Degree Program:** A Master's degree program in any ITS-related field, e.g., transportation engineering, electrical engineering, systems engineering, etc.
- Value:** \$1,000
- Place:** A university in the State of Texas
- Conditions:** Selection criteria will be based on academic ability, stated career objectives, and supporting letters of reference. To be eligible, candidates must be U.S. residents and registered as full-time students in a graduate studies program at a university in the State of Texas. This is what you will need:
1. Transcript showing previous courses;
 2. Proposed list of courses anticipated for graduate degree;
 3. Evidence of acceptance, or probable acceptance, for study in a graduate program at a university in the State of Texas;
 4. Résumé describing work experience, participation in professional and/or student chapters of relevant associations, awards, etc.;
 5. An essay of no more than 300 words indicating career objectives and particular interests in ITS;
 6. Two letters of reference to be sent directly to the ITS Texas Selection Committee. References should be confidential assessments of the candidate's academic ability and record, research ability or potential, professional experience, commitment to career, and any other personal attributes, which indicate that the candidate is worthy of an award.
- Deadline:** Postmark or e-mail no later than November 2, 2009.
- Apply To:** ITS Texas Selection Committee
P. O. Box 2706
College Station, TX 77841
or email scholarship@itstexas.org
- Questions:** Contact Brian Burk at (512) 974-0899 or scholarship@itstexas.org
