COMMITTEE CALL FOR INVOLVEMENT

Want to get involved with ITS Texas? Consider volunteering for one of our new committees today! Email Meredith.Cebelak@greshamsmith.com with your interests or any questions you have.

COMMITTEE	RESPONSIBILITIES
Training Committee	Assist with ITS TX trainings that occur throughout the year including the Summer and Annual meeting trainings. This will include finding the trainers, location for the training, and training day coordination.
Awards Committee	Assist with the review and selection for chapter awards. This includes the ITS Texas Awards for the year (Past President, Project of the Year, etc.).
Student Chapter Committee	Work with student chapters throughout Texas to support their chapters. Members will work directly with each chapter to assist with the Annual Reports, share applications for ITS Texas Student Scholarships, and any other tasks that would support the student chapter. Current chapters include: TSU, UT Arlington, UT Austin, UT Dallas, and UTEP. Includes review of the student scholarships applications. <i>*El Paso Chapter has been filled*</i>
Membership Committee	Maintain a list of current members for tracking and verification/ renewals. Develop and send out a 'Welcome to ITS TX' email for all new members. Email should provide information about the chapter, ways to get involved, links to relevant website/social media and any other relevant information as determined by the committee.
Fundraising/Social	Assist with the planning of the social/fundraising events for the annual meeting. This will include determining what events will be held and coordinating with the venue. Additional day of coordination may also be included.
Local Area Committee (LAC)	Assist with coordination for the Annual meeting conference. This committee requires a local presence to help with the annual meeting's logistics including venue visits and selection for social activities and technical tour opportunities.

Texas Innovation Invitational Showcases the Future of Transportation

Many ITS Texas members had the opportunity to participate in the 2025 Texas Innovation Invitational, held June 16–18 in Fort Worth. The event was hosted by the Texas Department of Transportation's Strategic Initiatives and Innovation Division ([TxDOT STR](#)).

This year's theme, "Connecting Texas to the Future of Transportation," spotlighted groundbreaking technologies, forward-thinking leaders, and bold ideas that are shaping a safer, more efficient, and economically vibrant transportation landscape across the state.

Event Highlights:

- **Poster Session:** Innovations from across Texas were on display, showcasing local ingenuity and applied research.
- **Tech Showcase:** Featured cutting-edge exhibits including:
 - 8 autonomous vehicles
 - AI-driven logistics platforms
 - Unmanned aircraft systems
 - TxDOT's dog-like robotic assistant for infrastructure inspection
 - And much more!
- **Panel Discussions:** Engaging sessions tackled key topics such as homegrown technologies, multimodal transportation systems, AI & data integration, autonomous freight, and next-gen traffic operations.
- **STAR Pitch Competition:** Eight government teams competed for grant-focused innovation awards.
 - 🏆 *Congratulations to Team Permian Basin, Team Frisco, and Team East Texas for winning the 2025 STAR Award!*
- **Industry Awards:**
 - 🏆 *Congratulations to Shawn Taikratoke, CEO, Mozee Inc. — 2025 Industry Innovator of the Year*
 - 🏆 *Congratulations to William McLane, Director of Transportation Ops, San Angelo District (SJT) — 2025 TxDOT Innovator of the Year*

Missed the event? Program details, speaker bios, and poster content are still available [online](#).

Let's keep the momentum going as we connect Texas to tomorrow's transportation solutions.
